

**PRNA Grievance Update****2-2-21**

The PRNA Association grievance for “Failure to Pay Wage increases” originally scheduled for Arbitration on 1-28-21 was rescheduled due to an issue with the original arbitrator mutually selected by the Employer and the Union.

We are working to expedite new Arbitrator selection and to get the soonest available date.

Importantly, the Employer agreed to consolidate the “Failure to Pay Wage Increases” with the “Failure to Pay Tuition Reimbursement” Grievance in the new hearing. We will now be able to resolve both issues at one time.

We are currently receiving dates from Arbitrators and will provide the date as soon as it is finalized.

I do understand that any delay is frustrating, but the Union believes this change of Arbitrator will have saved us significant delays on the back end had we not asserted our concerns.

Please contact me @ 909-263-9198 if you have any questions.
