Bargaining Update #3

Your bargaining team is continuing the work to secure a strong first contract. We met for three hours on the evening of May 13, 2024 with SRSMG management. We have been introducing and negotiating standard contract language, which is the building blocks of a strong foundation. We are working as a team to secure a contract that you will all support.

Join Us at the SRS APP Town Hall

SRS APP Town Hall - May 23, 2024, 6:30pm

Learn more about what's going on at bargaining by attending the virtual Town Hall.
