

# Sharp Chula Vista Professionals nited

## Management Stalling

On September 17, Sharp abruptly canceled bargaining for the rest of the month despite owing us 29 responses to articles covering COMPENSATION, WORKING CONDITIONS, BENEFITS, AND WORKER RIGHTS.

### NOW IS THE TIME FOR ACTION

We must be ready to show Sharp that we are willing to do whatever it takes to win the contract we deserve: a contract that invests in our community and protects and respects healthcare workers.

Scan the QR code to complete a form to show your willingness to stand strong with your coworkers on a picket line.
