

UNFAIR LABOR PRACTICE STRIKE

unacuhcp.org/ready

KNOW BEFORE YOU GO

Negotiations have stalled because Kaiser management has refused to return to the bargaining table. In response, we have called a strike to demand that Kaiser negotiate in good faith to reach a fair contract—one that protects patients, ensures fair wages and economic security, and upholds respect and dignity for nurses and health care professionals. **Our strength lies in our unity and our commitment to quality patient care.**

THE BASICS

Here's what you need to know.

WHO: All UNAC/UHCP members covered by the 10-day notice to strike—including all new hires, or on probation, or employed under a work visa—are protected under federal law when participating in a strike.
