

## KNOW BEFORE YOU GO

Negotiations have stalled because Kaiser management has refused to return to the bargaining table. In response, we have called a strike to demand that Kaiser negotiate in good faith to reach a fair contract—one that protects patients, ensures fair wages and economic security, and upholds respect and dignity for nurses and health care professionals.

**Our strength lies in our unity and our commitment to quality patient care.**

### THE BASICS

Here's what you need to know.
