

UNFAIR LABOR PRACTICE STRIKE

unacuhcp.org/ready

KNOW BEFORE YOU GO

Negotiations have stalled because Kaiser management has refused to return to the bargaining table. In response, we have called a strike to demand that Kaiser negotiate in good faith to reach a fair contract—one that protects patients, ensures fair wages and economic security, and upholds respect and dignity for nurses and health care professionals. Our strength lies in our unity and our commitment to quality patient care.
