

BARGAINING UPDATE

OCT 8, 2019

THE FIGHT CONTINUES

The Fountain Valley Professional Association-UNAC/UHCP bargaining team and Fountain Valley Regional Hospital-Tenet met until late Tuesday night. We hoped to reach a mutually agreeable contract.

Unfortunately, the union and management remain apart on key issues:

- retroactive pay
- percentage increases each year
- float pool language
- protection of longevity bonuses

Our team is committed to exploring all available legal avenues to deliver a contract with improvements and protections for our members. Stay tuned for additional information.
