

BARGAINING UPDATE #12

April 2,
2021

HAWAII THERAPISTS

Another Strong Bargaining Session

Our rehab therapist bargaining team met with KP management again on **April 1, 2021** to move closer to securing our first collective bargaining agreement.

At the table, we reviewed and submitted a counter proposals on **Paid Time Off (PTO)** and moved closer to an agreement that clarifies a process for vacation bidding and time off. Management also responded our management rights counter proposal by merely re-presenting their original submission.

We were able to secure additional bargaining dates in May and June. See the calendar for more details.

Our bargaining team will meet on **April 9** for an internal union caucus to review the next topics that will be under discussion at the bargaining table. Bargaining will pick back up on **April 16**.

Stay tuned for more updates.
