ECONOMIC PROPOSALS HAVE BEEN SHARED

On **Monday, August 9**, our economics workgroup had their third meeting with management to discuss the topics that have an economic component.

The Workgroup presented equitable proposals to management that recognize the value of therapists who provide amazing care to our members and are committed to KP. We will continue to discuss the economic proposals with the full team.

Our **Green Bargaining Team** met with KP management again on **Tuesday, August 10** to continue bargaining over Corrective Action and Hours of Work and Scheduling. These have been complex topics, but the team is making progress and having valuable conversations with management.

Thank you for your continued support of your Bargaining Team! Your support is essential as we continue to fight for a great contract.

Next week, our **Blue Bargaining Team** will resume negotiations with KP management on Job Bidding/Posting, Reductions in Force and Workload.

Please join your Bargaining Team at the next town Hall on Monday, August 30 at 7:30 pm. Register here: unacuhcp.org/ncaltownhall
