FINDING OUR RHYTHM AT THE BARGAINING TABLE

Our **Blue Bargaining Team** met with Kaiser management earlier this week on Tuesday, February 16, 2021.

We continued our discussion with management with the interest of preserving the bargaining unit's scope of work and maintain managerial support. Also, we began developing proposal language for Bereavement Leave.

The **Blue Team** is scheduled to continue bargaining with management on **Tuesday, March 2, 2021**. We plan to continue collaborative discussions on Bereavement Leave and begin opening conversations on Personal Time Off.

The **Green Team** is set to meet with KP management on **Tuesday, February 23, 2021**.

Stay tuned for more updates!
