Ready for Action | Take The Survey

Last week, we continued bargaining over economics: wages, benefits, anything with a cost attached.

We expect this part of negotiations to be tough. We need to all stand together.

We need to close the gaps to bring MHS employees up to the standards of other health care professionals who are doing the same work across the islands. Bargaining is the time when we can take this on.

Bargaining Dates This Week: 10/28 and 10/29

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
27	28	29	30	1	2	3
4	5	6	7	8	9	10
11	12	13	14	15	16	17
18	19	20	21	22	23	24
25	26	27	28	29	30	31

It's also the time when unity and collective action are most important.

We need to stand together and stand strong to win a strong contract.

Let us know you're ready and tell us what you're willing to do by taking this survey:
