Comprehensive Proposal Delivered!

Our United Pharmacists of Hawaii (UPHI) bargaining team met with KP management on January 6 and 7, 2021 to present our comprehensive contract proposal.

During the holiday season, our bargaining team worked tirelessly to develop a contract that respects our service. The comprehensive proposal, which addresses top priorities such as economics, benefits, overtime, and education, is now being reviewed by management.

Next week, we anticipate receiving a more complete proposal from management. We plan to continue focusing on the issues that are important to our members as we await management's comprehensive offer.

Our bargaining team is committed to higher standards in our profession and improving the quality of patient care by having a say in the issues that impact us in the workplace.

Stay tuned for more updates!

Upcoming Bargaining Dates: January 12, 13, 19, and 20.
