

BARGAINING UPDATE #23

September
27, 2021

UNITED PHARMACISTS OF HAWAII

UNHCEH

UPHI

HI Therapists

STAND TOGETHER TO WIN!

With one more scheduled bargaining date, we've won some important victories but management has proposed takeaways to our pension and Plan B.

We need to show them that we're strong and dedicated and will fight for what we and our patients deserve.

1. Attend tomorrow night's virtual General Membership meeting to learn more about the proposed takeaways and how we can fight them together.
2. Talk to our bargaining team members and Staff Rep Jake Elsbernd about how to get involved and show management that we're not going to accept their takeaways.
3. Keep wearing your **VALUE HI** buttons!
4. Sign the petition calling for Kaiser to invest in patient care @ investinpatientcare.com and encourage your coworkers, family, and friends to sign as well.

By standing together, we can show Kaiser that we won't accept their proposed takeaways.

Virtual General Membership Meeting

Tuesday, September 28
7 - 8 p.m. HST

Join the Zoom meeting here:
unacuhcp.org/UPHImeeting

All UPHI pharmacists are welcome to join this online meeting to hear updates directly from our bargaining team members and negotiators.

It takes all of us working together and participating to get a strong contract!
