

UNITED PHARMACISTS OF HAWAII (UPHI) BARGAINING UPDATE #4

November 4-5, 2019

LANGUAGE ON NEW OR REVISED JOBS SECURED

The United Pharmacists of Hawaii (UPHI) bargaining team met with KP management on November 4 and 5. We held evening meetings to further discuss and exchange proposals.

We reached a tentative agreement (TA) on *New or Revised Jobs* that states whenever a new position is created or a current job is significantly altered, KP shall propose an interim rate and a job description to our union. Our union and management shall meet to discuss and agree on the proposed rate. If no agreement is reached, the Union can file a grievance.

Thanks to the members who attended and observed bargaining on November 5!
