

KP HEALTH CARE PROFESSIONALS BARGAINING UPDATE #10

MARCH 15, 2023

Our KP HCPs bargaining team met with management for another bargaining session on Friday, March 10, 2023.

Together, we secured a TA on the following topic:

- **Work Space:** Outlines a process for designating space to conduct work.

We also continued discussions on the article 'Hours of Work', specifically examining meals and breaks, salaried exempt status, and flexibility of work schedule. Additionally, we talked through the patient care advocacy and professional practice article, which designates a regional steering and professional practice committee to address topics related to professional practice and patient care advocacy.

Our first KP HCPs steward training is scheduled on **Friday, March 31** at 9:30 am-5:30 pm at UNAC/UHCP headquarters in San Dimas. We have a couple of spots open which are first come, first served.

If you would like to attend, please contact Lorraine Panganiban at Lorraine.Panganiban@unacuhcp.org. Please include your name, discipline, work location, and personal contact info (email/cell).

BARGAINING DATES

March 20, and 23
April 3, 10, 11, and 17
May 11, 22, 25, and 30
