

ST. FRANCIS REGISTERED NURSES BARGAINING UPDATE #1

JUNE 15, 2023, 2023

SPECIAL THANK YOU to everyone who attended our first day of bargaining! Management definitely noticed. Sign up below for future bargaining dates!

Over decades, SFRNA built one of the strongest RN union contracts ever. Tragically, the bankruptcy process in 2020 gutted many of our strongest provisions. We're working in these negotiations to build it back up. Member participation is key.

On our first day of negotiations, we reached four tentative agreements and made some strong proposals, including:

FLOATING - Conform to BRN & Title XXII; ensure education and orientation before being floated; limit ability to float to multiple units; travelers would float before regular FT, PT, and per diem RNs.

HEALTH & SAFETY - Pandemic PPE protections and other measures to increase RN safety.
