

WE SUBMITTED OUR FULL WAGE PROPOSAL!

We proposed: merging the two wage grids, a working wage grid with step increases plus annual percentage increases, big raises for the next three years, higher differentials for charge, night shift, and precepting, plus collaboration on a better clinical ladder—so St. Francis can better attract and retain RNs to benefit our community.

SFRNA BARGAINING UPDATE #5

AUGUST 4, 2023

SIGN UP TO ATTEND

BARGAINING DATES

August 7, 9 | September 12, 14

Prime continues to oppose every proposal we make to improve patient and nurse safety:

- Enforcing Title XXII and safe staffing
 - Safe floating
- More training and orientation
- Wages that will attract and retain more RNs

Why?

"It works for us"
