# UNHCEH BARGAINING UPDATE #11

*United for our Patients  
and our Professions*

## STRIKE! WE'RE READY!

Today at bargaining, we delivered a 10-day notice for an Unfair Labor Practice (ULP) strike to Maui Health/Kaiser Permanente. The strike will be three (3) days, starting **Monday, November 4, 7:00am** to **Thursday, November 7 at 7:00am**.

Maui Health/Kaiser has refused to negotiate a fair contract. Management's failure to address staffing has jeopardized patient care. In addition, our wages and benefits lag behind other Kaiser facilities in Hawaii, making it more difficult to recruit and retain experienced healthcare workers.

Maui patients and healthcare workers deserve better!
